Night Skiing: 16:30 - 19:00

A new chapter in the Hanazono story has begun. Hanazono offers some of the best powder skiing terrains in Niseko and it has just become even better. This winter Hanazono unveils its brand new 10-person gondola, opening up new beginner runs as well as night skiing terrain. Meanwhile, the resort's main chairlift Hana #1 becomes the most luxurious in Japan with hooded, heated leather, 6-seater chairs. Enjoy a world-class resort experience with an extensive variety of off-piste activities, a stay at Park Hyatt Niseko Hanazono, and a wide choice of ski-in/ski-out fine dining and shopping.

### MAKE YOUR DAY

## NISEKO TOKYU GRAND HIRAFU

■204 Aza Yamada, Kutchan-cho, Abuta-gun, Hokkaido 044-0081 Japan  
■TEL: +81(0)136-22-0109

■Business hours: 8:30 - 16:30  
Night Skiing: 16:30 - 19:00

Hirafu is the beating heart of Niseko - a bustling, old-meets-new, East-meets-West resort village unlike anywhere else in the world. Niseko Grand Hirafu has one main quad lift and a gondola that feed intermediate and advanced skiers two thirds of the way up mountain. From here, traverse to other lifts and head straight down with access to dozens of long, groomed trails and plenty of ungroomed tree runs back to base. Beginners are well catered for with gently sloping family runs at either side of the resort.

### ENHANCE YOUR WHITE EXPERIENCE

## NISEKO VILLAGE SKI RESORT

Night Skiing: 16:30 - 19:00

Mount Niseko Annupuri has a peak elevation of 1,308 meters with pristine wilderness surroundings, offering a plethora of backcountry activities. Niseko Village offers a wide range of groomed runs suited to all levels of riders including some of the steepest on and off-piste runs in Niseko, including Mizuno no Sawa, a special avalanche-controlled area. The combination of endless powder, unique riding opportunities and stunning scenery sets Niseko apart as arguably the best ski resort in Japan.

## FOR YOUR SAFETY

Regardless of how you enjoy your snow sports, always show courtesy to others and be aware that THERE ARE INHERENT RISKS in all snow recreation activities. These risks include rapid changes in weather and surface conditions, collisions with other people as well as natural and artificial hazards such as rocks, trees, stumps, bare spots, lift towers and snowmaking equipment. Common sense and personal awareness can reduce such risks. Observe the ALPINE RESPONSIBILITY CODE and share with others the responsibility for a great experience.

### ALPINE RESPONSIBILITY CODE

1. Know your ability and always stay in control.
2. Take lessons from qualified professional instructors to learn and progress.
3. As you proceed downhill or overtake another person, you must avoid people below and beside you.
4. Do not stop where you could obstruct a trail, a run or are not visible from above.
5. When entering a trail, a run or starting downhill, look uphill and give way to others.
6. Always use chairlift restraining devices where provided and always use proper devices to prevent runaway equipment. Ensure equipment is in good condition.
7. Observe and obey all signs and warnings. Keep off closed trails or runs and keep out of closed areas.
8. Before using any lift, you must have the knowledge and ability of how to load and unload safely.
9. Do not ski, snowboard, ride a lift or undertake any other alpine activity if your ability is impaired by drugs or alcohol.
10. If you are involved in, or witness an accident, alert the Ski Patrol, remain at the scene and identify yourself to them.

UNDERSTAND YOUR RESPONSIBILITIES ON THE MOUNTAIN
